Principal Helmsman*

*Handicap skippers are required to list a principal helmsman on their rating certificates. While it may not be possible for any one person to steer a boat throughout a race, the principal helmsman is that person who is steering at the start of a race and on upwind legs. In a day race, any yacht which is started or steered by someone other than the principal helmsman is in violation of the NEMA Race Rules and subject to disqualification.

List Principal Helmsman _____

Owner Responsibility
